

# Instructions for Donors!

- ▶ Over the past seventy years, PYSO has provided thousands of children with an unparalleled music performance and education experience. As we celebrate this milestone of our 71st Season we want to work on expanding our reach to ensure the benefits and skills of learning and performing classical music will have a lasting effect on our society for another seventy years. Please join us by sponsoring one of our talented young musicians in their quest to log seventy hours of practice over the next three months.
- ▶ How it works: <https://go.rallyup.com/pyso2022>
- ▶ 1. Pick the dollar amount (\$1.00 - \$100.00) you would like to pledge per hour practiced.
- ▶ 2. Students have a goal of logging 70 hours of practice before December 31, 2022. Your donation will be processed according to how many hours were logged.
- ▶ 3. Students will create periodic updates on their progress so you can follow them.
- ▶ 4. At the end each student will upload a video of a short performance as a thank you for your support. All proceeds will benefit PYSO and its mission of Expanding horizons through music while developing the next generation of Artists, Patrons and Leaders.
